VVP9324DN

VANDAL RESISTANT DAY/NIGHT DOME CAMERA

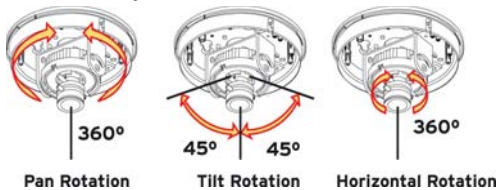

The VVP range of vandal resistant dome cameras, provide the ideal surveillance solution for monitoring areas that are prone to attack, such as prisons, schools and car parks.

Enclosed in a stylish vandal proof dome housing, the VVP range features a tri-axis mechanism to enable free rotation of the built in vari-focal lens. With the ability to mount on the wall or ceiling and an on-screen display menu, the VVP range can be installed virtually anywhere with ease.

Whilst the VVP9324 is ideal for ceiling mount installations, the tr-axis mechanism allows free lens rotation making it particularly suitable for wall mounted applications as well.

Tri-Axis Adjustment

Features

- High sensitivity 1/3" SONY Super HAD CCD
- Built-in DC Iris Vari-focal Lens
- 550 TVL
- Min Illumination: 0.3LUX (colour) 0.05LUX (b/w)
- Vandal Proof Dome Housing
- AGC, BLC, FLickerless On/Off, Auto White Balance
- 140mm Dome size
- 12V DC /24V AC
- 3-axis mechanism for free lens rotation
