

DIGITAL DOOR VIEWER

Product Code - DVRDRVIEW

Digital Door Viewer

The SUREVIEW Digital Door Viewer is the new and effective way to tackle bogus callers and costs less than £100!

This new and exciting product can be fitted to almost any household door between 30 and 65mm thick, requiring only a drill and a 12.5mm drill bit to install.

With a viewing angle of 80 degrees and a motion detection range of up to 2 meters this digital door viewer is the ideal way to identify who has knocked on your door.

This amazing new product only requires 3xAAA batteries to run, recording JPEG images and audio onto either its 128Mb internal memory or to a 4Gb removable SD card dependant on your preference storing files with date and time information.

This discrete, robust unit can record images for just over 4.5 minutes when saving images to its internal memory, or over 11 hours using an SD card before overwriting the oldest images.

All data can be easily downloaded onto your laptop or PC using a SD card reader or Police DVD Burner
