

SURE

SGMC MEMO-COM

PROXIMITY VOICE MEMO ALARM

The SUREGUARD Memo-com is a proximity activated voice alarm. A message can be recorded onto it, which will be played back when triggered by passers by. Ideal for hallways, visitor welcome messages, health & safety announcements, fire exit warnings etc.

This unit is compact and battery operated making this an ideal portable message announcer. It is very simple to use, press a button to record your message then just set the unit to on.

Particularily suitable to help the elderly and infirm in combating the increase in Distraction Burglary. Advise the householder what to do before opening the door to a stranger by recording a message of up to 20 seconds.

Useful aid for Health&Safety announcements i.e. Hard Hat areas, fire doors, heating protection etc.

Features

- Easy to use and set-up
- Welcomes visitors, gives warnings, gives people important information
- Loud and clear play back of recorded message
- Perfect for combating distraction burglary
